WHAT YOUR BUDGET COVERS

Official 2024 reference: Chinese Clinical Medicine tuition RMB 25,000/year; English MBBS RMB 32,000/year; housing RMB 6,000/year. These differ from the supplied offer and do not automatically replace it.

Supplied additional references: registration RMB 400; insurance RMB 800; permit RMB 400; examination RMB 500; books at actual cost. Current university rates and the registration/application distinction require confirmation.

The supplied application reference is RMB 1,500. Confirm its payee and how it relates to FirstLiners' RMB 2,000 allocation before paying; no double-counted grand total is shown.

The supplier's RMB 12,500 management fee and RMB 41,000 first-year package are not carried over as an extra FirstLiners charge.

The supplier's RMB 10,000 deposit is credited against its first-year package. Confirm current deposit/payee terms; it is not an additional full-package fee.

The supplied supplier package requires its remaining first-year balance before travel and says hostel access is withheld while amounts remain due. This is a supplier reference, not new FirstLiners invoice timing; confirm current university/payee instructions.

The university publishes a conditional RMB 20,000 provincial undergraduate scholarship per academic year, subject to allocated quota and selection. A second-year award or annual renewal is not guaranteed.

Historical internship fees differ by route and internship location. Confirm the current final-year tariff before making a full-course budget. No FX conversion or guaranteed scholarship deduction is included.
