CLINICAL MEDICINE

Language. English lectures — school-confirmed

Duration. 6 years in supplied reference

Tuition. RMB 15,000 first year; RMB 25,000/year later

Supplied 2026 offer; exact intake/written terms to confirm

The supplied duration is 1 year + 3.5 years + 1.5 years internship (six years total). Confirm the final-year fee and internship arrangements. FirstLiners' owner explicitly reported school-confirmed English lectures, no first-year HSK 4 requirement and no CSCA requirement for this offer. Confirm the exact intake and written programme conditions. Older official 2024 material described Chinese-medium Clinical Medicine; the 2025 page listed HSK 4 by the end of year one. Those historical conditions are retained in the evidence record rather than silently replacing the supplied school-confirmed offer.
